Hi Rob

Noooo .... Sue is in good hands with Mike Chun for overall management. As for technical, I hope we'll know by next week. I'll let you know then. There are some solid candidates Mike has been interviewing. Thank you for all your sharp technical edits and suggestions!

Sincerely,  
Yen-Vy

Thanks for the heads-up Yen-Vy, and good luck with your new job! Who will be my new point of contact at AEG, or will you be bringing this piece of work with you?

Cheers

Rob

Good morning Rob

I'd like to thank you for your professionalism, technical management, and cooperation at the former Smitty Toppenish facility where I've managed and investigated while at AEG during the last several

years. It has been a pleasure to work with you. I'll be leaving AEG as of March 26, 2013 and moving on to Kennedy Jenks in Federal Way. Hopefully, I'll end up working with you again ... I wish you well. Thank you.

Regards,  
Yen-Vy
